Dates to Remember

9/5 First Day of School
9:00-10:00 or 12:30-1:30

What we are learning

This month we will be learning routines at school and getting to know each other. The first two weeks we will explore the room, learn our rules and review colors and shapes. We will talk about our letters in our name and learn about apples. We will begin writing our first names in our name books and start the "letter of the week" **9-24 Letter L**

Each week on your share day please bring in an object to talk about that begins with that letter.

Classroom News

Welcome to the Bethany Lutheran Pre School Family! We are so excited to have you and your child with us. We look forward to a great year! We have many exciting activities planned.

For school each day, your child only needs to bring a snack and a labeled water bottle. If they're staying for both classes please bring a lunch. We ask that no other personal items be brought to school.

We are a nut free school so please do not pack anything that contains nuts for snack or lunch. Please send in an extra pair of clothes to keep at school, please put them in a Ziplock bag with your child's name on it. Please label all items that you bring in, snack bags, lunch boxes and coats. This will help us tremendously keep everyone's belongings separate.

Bringing your child to school for the first time can be emotional for parents and children. We understand this and will be there to comfort your child and help them feel safe. We recommend a quick goodbye. Typically most children calm down quickly. We are excited to get to know your child.

Thank you for sharing them with us. We will take good care of them! Please feel free to contact me anytime with any questions or concerns. You can call, email or text me!
