Happy Spring!! We made it through winter. We will be getting outside more, so please remember to still bring jackets everyday because the morning still tends to be chilly. We will have our school field trip to Andy Harvey Gymnastics studio on Friday April 5th starting at 10:00am- all children must be driven directly there. They may bring a light snack and a water bottle.

School will be closed from April 8th- April 12th for spring break!!

Thank you all for attending conferences, all of your children are doing amazing and we are so proud of all their growth and development.

This month we will learn about spring, plantings and our Earth.
