## What we are learning

We will be working on surprises for Mother's and Father's day so there will be days your child will not come home with a craft.

This month our themes are Cinco de Mayo, Under the Sea and the Zoo.

## Classroom News

Welcome to May! This year has flown by! We have done so much in school it is hard to believe this is our last month! The children have grown so much during this school year. We are so proud of them! We have seen them grow into confident children who have become great friends! We loved being a part of that! Thank you for trusting us with your children. We have enjoyed every minute!

This month we have lots of fun activities planned. Wednesday May 11<sup>th</sup> is our Family Fun Night from 5:30-7:00. We will do special projects for Mother's and Father's day and for the end of the year. On 5/23 and 5/24 we will have an outdoor day. Your child can bring their bike or scooter and a helmet to school that day. Please apply sunscreen before class as teachers are not allowed to put it on children. We will spend the day outside doing lots of fun activities!

The last days of school are June 1<sup>st</sup> and 2<sup>nd</sup>. We will have a short ceremony starting at 11:00 where the children sing a song and we will give out certificates. I will send more information as it gets closer.
