

Bethany Lutheran Preschool
3-year-old class
Mrs. Camilleri, Mrs. Meyer
and Mrs. Truss
May 2025

Dates to Remember

- Family Fun Night 5/9
- Book orders due 5/15
- Library Field Trip 5/21
- Outdoor day 5/22 and 5/23
- No school 5/26
- Last days of school 5/27 and 5/28

What we are learning

We will be working on surprises for Mother's and Father's day and the end of the year.

While we are doing that, we will continue to write our names and learn the letters that make up our names.

We will finish the year with playing outside as much as we can!

Classroom News

Welcome to May! This year has flown by. We have done so much in school it is hard to believe this is our last month. The children have grown so much during this school year. We are so proud of them. We have seen them grow into confident children who have become great friends. We loved being a part of that! Thank you for trusting us with your children. We have enjoyed every minute.

This month we have lots of fun activities planned. Friday May 9th is our annual Family Fun Night from 5:30-7:30. We hope you can make it! We will be going to the Library on Wednesday May 21st. We will have an outdoor day where your child can bring their bike or scooter and a helmet, this will be on May 22nd and 23rd. We will spend the day outside having fun! Please apply sunscreen before class as teachers are not allowed to put it on children. The last days of school are May 27th and 28th. We will have a short ceremony starting at 11:00 where the children sing a song, we will give out certificates and have a snack. I will send more information as it gets closer. Thank you again for a wonderful year! Please stay connected with us!
