3-year-old class  
Mrs. Camilleri, Mrs. Meyer  
and Mrs. Truss  
April 2024

## Dates to Remember

**Field Trip to Andy  
Harvey's Gymnastics  
4/4**

**No School 4/8-4/12**

**Book Order due 4/19**

## What we are learning

This month we will learn about, Spring, Weather, Earth Day and Dinosaurs. We have been working hard on writing our names and cutting with scissors. These are skills they will use their entire lives. We hope you have seen the progress they have made.

Show and Tell has been going great! The children are doing great explaining what their toy is and how to use it. The other children ask good questions. This is a great way for them to get comfortable talking in front of a group and asking questions specifically about the toy! We will continue to do this throughout the next few months. They love it!

Save the date of May 2nd for our Family Fun night. More info will be coming soon.

## Classroom News

Spring is finally here! We made it through winter. Hopefully, this means we will be getting outside more! Mornings are still chilly so please continue to send in coats. We will go outside as much as possible!

Our field trip to Andy Harvey's Gymnastics Studio is on April 4<sup>th</sup> from 10-11:30. Please have your child wear comfortable clothing, no jewelry should be worn. Bring a snack and water bottle. The address is 15 Glastonbury Ave, Rocky Hill.

School is closed from April 8<sup>th</sup>- April 12<sup>th</sup> for spring break. We hope you have a great week off!

We have been in school now for 8 months. Wow! The amount of progress we have seen in the children is wonderful. They started this class unsure of what they were doing and nervous. If you peeked your head in our class now, you would see a happy, engaged and confident group of children. The most progress we have seen has been with socialization. They are all friends and are kind to each other. Watching friendships develop is the best part of this! We are so proud of each of them.
