## Dates to Remember

**9/5 and 9/6 First day of  
school from 9:00-10:00**

## What we are learning

This month we are getting used to all the routines at school and getting to know each other. The first two weeks we will explore the room and learn how to use art supplies and toys. We will learn our transition songs and clean up routine too!

When we are comfortable with all of this, we will do a theme of all about me and butterflies.

We will start practicing how to hold a pencil correctly and trace lines for prewriting skills.

## Classroom News

Welcome to the Bethany Lutheran Preschool Family! We are so excited to have you and your child with us. We look forward to a great year. We have many exciting activities planned.

When you bring your child to school all he/she will need is a snack. We provide water to drink, or you can send in a water bottle.. Please do not send in any toys for your child to use at school. We have so plenty here and I would not want to mix up toys from home and school.

Please send in an extra pair of clothes to keep at school, put them in a Ziplock bag with your child's name on it. Please label all items that you bring in. This will help us keep everyone's belongings separate.

Bringing your child to school for the first time can be emotional for parents and children. We understand this and will be there to comfort your child and help them feel safe. We recommend a quick goodbye. Typically, most children calm down quickly.

We are excited to get to know your child. Thank you for sharing them with us. We will take good care of them! Please feel free to contact me anytime with any questions or concerns. You can call, email or text me!

Don't forget to follow us on Homeroom, Facebook and Instagram!
